

Syndikaat der Belgische Diamantnijverheid

Beroepsvereniging van de Belgische diamantbedrijven sinds 1927
Vereniging zonder winstoogmerk

The Syndicate of the Belgian Diamond Industry ('Het Syndikaat der Belgische Diamantnijverheid') aims mainly at promoting the Belgian diamond industry in all its aspects and the international diamond industry in general, the prevention and fighting of abuses, the protection and representation of the common professional interests of its members on social, legal, fiscal, economic and technologic fields. SBD is a legally recognized professional association of the Belgian and foreign diamond companies established in Belgium, and represents the manufacturers, the brokers, the traders and the sawyers and clovers of colored stones.

**Please note that this list is not the member list of the Syndicate of the Belgian Diamond Industry. This list contains only the contact details of a limited number of Belgian diamond companies who gave a written consent that we may share their details with possible business prospects.*
